Championing a research culture

Our aim is to raise the profile of research and informed practice in adult social care

WHAT WE HOPE TO ACHIEVE?

Develop
Develop organisation-level research skills through eLearning and workshops

Build
Build research capacity in adult social care

Incorporate
Incorporate research into local policy and practice tools

Sustain
Sustain a research culture across practice settings

HOW DO WE GET THERE?

- eLearning for research in practice skills
- Train the trainer for research champions
- Intranet research based tool (Social Work Toolkit area)
- Case Mapping clinics
- Champion research within adult social care policy
- Develop a research culture within Neath Port Talbot

HOW WE WILL MEASURE

- Numerical data
- Auditing
- Interviews using Developing Evidence Enriched Practice (DEEP)
- Case studies from pilot teams
- Theory of change model
- Analysis of performance indicators
- Knowledge exchange
